

## Setup Eyoyo Barcode Scanner

Turn on Bluetooth Low Energy Mode for Use with Gimme Software

1. **Print** this paper.

(Device cannot scan barcodes on an iPad screen)

2. **Scan** barcode A, then B, then C with Eyoyo scanner.

**BARCODE A**

%%EnterSet

**BARCODE B**

%%SpecCodeAC

**BARCODE C**

%%ExitSet

3. **Open** Gimme Field. Go to Warehouses page. Look for the Bluetooth icon in the top right corner of the screen.

4. **Repeat** for all barcode scanners you have. Done!
