

Archive an Account

Note: Archiving an account does not automatically archive a POS.

Users must archive all POS associated with an account before archiving an account.

This issue is being tracked as GitHub Issue #786

You can archive an account using one of the two methods below:

1. Navigate to the **Accounts** page using the three-line menu button
2. Select **more info** next to an account
3. Select the **red three dot menu** in the top right of the screen
4. Select **Archive**
5. Select **Confirm**
