

How to inventory a Vending or Micro Market POS

In Gimme Field:

1. On the **Schedule** page, click on a **POS**
2. Get **DEX**
3. Click **Planogram**
4. Click on each individual product to edit its inventory (start, add, spoiled, removed)

For best practices to schedule micro market inventory visits, see [Inventory a micro market the same day as a Collect or Service Visit](#)
