

# How to update a service call in Gimme Field

In **Gimme Field**:

1. Navigate to the **Service Calls** page using the three-line menu in the top left of the screen
2. Click on or search for the desired service call

**You can:**

- Edit the description of the service call
- Explain a resolution
- Click **Accept** to assign yourself to the service call
- Click **Close** to close the service call

After making any changes, click **Save**
