How to assign a product image

1. Navigate to the **Inventory** page using the three-line menu in the top left of the screen
2. Click on the product whose image you would like to change
3. Click **Change Image**
4. Select the image you would like to replace the current one with
5. Once the image changes, click cancel

** If the image you are looking for is unavailable, contact Gimme support for help.
