

How to spoil warehouse products

In Gimme Field:

1. Navigate to the **Warehouses** page using the three-line menu
2. Select a **Warehouse**
3. Tap **Spoil**
4. Search and select the product you would like to spoil
5. Select the unit of measure
6. Enter the **Quantity** you would like to spoil in the box
7. Click **Done**
8. Click **Finish Spoil**

To add more items to the spoil list, search for additional products before selecting **Finish Spoil**
